Bob
There is some errors on the letter and formatting. Please send me the word version and we will fix it. After Steve signs it, I will forward it for your signature.

Roxanne

Steve and Roxanne,

Here is the final version of the comment letter for the derivative deliverables for the CSM Dev. Plan, Sampling and Analysis Addendum, Monitoring Well Installation WP, and Attenuation Evaluation Plan. Please sign and email/mail to Mark at the Navy.

I know things are bit crazy there with the move and all, so if it's easier just have Steve sign and return to me and I can send it to the Navy.

Bob
